

URBAN REMEDY

PURIFY CLEANSE

What to do

- Begin each morning with a glass of warm water with lemon and continue drinking water throughout the day.
- Sip on a new juice every 2 hours throughout the day.
- Take advantage of this time and start journaling.
- If you have the ability/time, incorporate infra-red sauna, steams, colonics and/or acupuncture.
- Nightly baths are a wonderful way to relax. Add Epsom salts, lavender essential oil, or use a detoxifying bath recipe from the UR book.

If you get hungry

While juicing gives your body the quickest detox, we understand the need to incorporate food. Stick to organic fruits and vegetables (think avocado, blueberries, strawberries, leafy greens), and soaked nuts.

Limit exercise

Limit yourself to light exercise like walks, yoga, and stretching.

Free time

You can benefit even more from your cleanse with introspective activities like writing, meditation, nature walks, and soft music.
