

URBAN REMEDY

METABOLISM MEAL PLAN

Plan Tips

- Start your morning with ½ of a lemon squeezed into a glass of warm water. Eight (8oz) glasses of water are recommended daily.
- If you are doing strenuous exercise and need to eat more, please choose anti-inflammatory foods like avocado, coconut oil, berries, apples, almonds, sprouts, celery and greens.

Post Plan

- To support a healthy body, we recommend seeking out foods with anti-inflammatory properties. Visit urbanremedy.com/how-to-cleanse for tips.
